Hi!

I'm Stephanie Charles, you can call me Steph. I am a freshly graduated designer looking for new career challenges. I believe in clean functional design that is both beautiful and stimulating. I enjoy working with a team and I am always looking for new learning experiences.

Experience:

May-November 2017
Midwest Land Group

Junior Graphic Designer

I worked with the marketing team to create listing brochures for new properties, recruiting materials for new hire prospecting, creating material for social media, and creating new and updating old marketing materials based on existing brand standards for new and existing agents. I had the chance to work closely with my team as well as management on these projects.

April- November 2017
St. John LaLande Catholic School

Graphic Designer

I worked with the parent teacher board at the school to create artwork, signage, and other even materials for their annual silent auction event. I had to communicate with the members of the board, the print shop they were using, and manage to deliver files within a set timeline.
